Mike,
Sorry about my delay getting back to you. My wife broke her leg skiing and I am just now able to answer email.
I believe Brandon Pursel is the PM for this site.
He should be able to provide more info.
Thanks
Mike

Subject: arcelor mittal

Mike-
I had a spill out at arcelor mittal Indiana Harbor canal. Is there someone in RCRA who is assigned to that facility who I may be able to speak with?
